

WHITEWATER®

Entertain the Possibilities

WhiteWater was born in 1980 with one clear purpose, to create places where families unite and make joyful lasting memories.

We achieve this by standing alongside our customers from concept to completion of award-winning attractions, from slides to water rides and everything in between. We aim to inspire our clients by unleashing our creativity to realize their ambitions; we craft solutions which make each park unique. We are dedicated to making products that operators can count on, because we understand the importance of reliability and efficiency on the bottom line.

As market leaders, we put our success down to our attitude, in all our years we've never once forgotten why we're here – to help parks solve problems, create immersive experiences, and delight guests all over the world.

We're here to create places where fun can thrive.

WHITEWATER®

Entertain the Possibilities

WHITEWATER®

EST. 1980

Creating Places Where Fun Thrives

Ours is a world where possibilities live and adventure becomes a reality.
A world for people to create connections through shared experiences and
to create memories for life.

Welcome to WhiteWater

WhiteWater was established in 1980 as a park operator which means we've walked in our clients' shoes. We understand the importance of partnership and walk alongside our customers from concept to completion of award-winning attractions, from slides to water rides and everything in between. We manage a project from design, through manufacture and installation to commissioning. Having completed more than 5,000 global projects, theme and water parks around the world count on our expertise and trust us to deliver safe and amazing experiences for every guest.

"Our new ride tripled our ridership capacity and increased our online sales by 39%. Calaway Park could not be happier with our new ride and the relationship that we have with the team at WhiteWater."

Bob Williams,
General Manager
Calaway Park, Alberta, Canada

"A project of this scale took an incredible amount of teamwork and WhiteWater was with us every step of the way."

Keith Dalton
Co-President
Typhoon Texas, USA

With You

It is not only our size that makes us market leaders, it's our people and their thinking. Decades of combined experience as park operators, designers, suppliers, and guests means that we're best placed to effectively transform your park vision into vibrant realities.

But we know that a 'ride' is only one part of the story.

Incredible experiences are crafted through an unwavering commitment to safety and a dedication to achieving operational success. Because of our start as a park operator, and a team packed with them, we understand the importance of reliability and efficiency on your bottom line. You also need to work with a partner you trust. Our solid reputation comes from our promise to deliver with care every time and to stand by our products, which is why we enjoy such a high percentage of repeat business, including all the biggest industry names.

Provider to 9 of the world's top 10 water parks on the 2017 Themed Entertainment Association Theme Index

Provider to 14 of the world's top 25 rated water parks on the 2018 Trip Advisor Travellers' Choice Awards

"We are happy that our Wet N Joy Waterpark at Lonavala has come together so well thanks to WhiteWater. Their product design, quality and project assistance has been outstanding."

Manish Malpani
Director
Malpani Group, India

ICONIC TIPPING BUCKET AQUAPLAY

"The WhiteWater team has stood behind us over the past 15 years and continuously provided us with a safe product for our guests to enjoy. We are proud to be a 100% WhiteWater product park."

Sayan Gulino,
General Manager
Waterbom Bali, Indonesia

LATITUDE SURFING

Delivering What You Need

We've built our business around answering our clients' needs.

WhiteWater offers:

- The most complete product suite providing the widest range of experiences for all demographics, and the convenience of a single provider.
- Quality to count on and that the guest can feel.
- Operational and energy efficiency to control running costs.
- Attractions with popularity to stand the test of time.

We invest in attracting top industry talent to WhiteWater who have the insight, and foresight, to innovate because we recognise the importance of investing in the future of fun. This means that we do all we can to push the boundaries of theme and water park attractions to be even more inclusive, entertaining, and safe for everyone—so you have the ride mix your park needs to succeed.

Uncompromising Safety

Safety is non-negotiable at WhiteWater. We are the only supplier who evaluates each design using carefully calibrated simulations followed by meticulous testing and fine-tuning to get the ride experience optimal and safety assured.

We demonstrate leadership in safety through our involvement with organizations such as ASTM International and IAAPA to support the standardization of international guidelines that govern the development of amusement rides and attractions worldwide.

Quality that Lasts

Our products are designed to last even in the most challenging environments facing harsh elements like wind, UV, humidity, and chemicals. Our SilkTek fiberglass technology, made with a resin transfer moulding (RTM) process, ensures a smoother surface for a slicker sliding experience. Plus with SilkTek your slides stay shiny and the colours remain brighter longer for maximum visual impact and appeal.

Our quality doesn't end there, but extends to our steel manufacturing, theming, mechanical systems and more. Our product quality out-performs every time, making your investment worthwhile and long lasting.

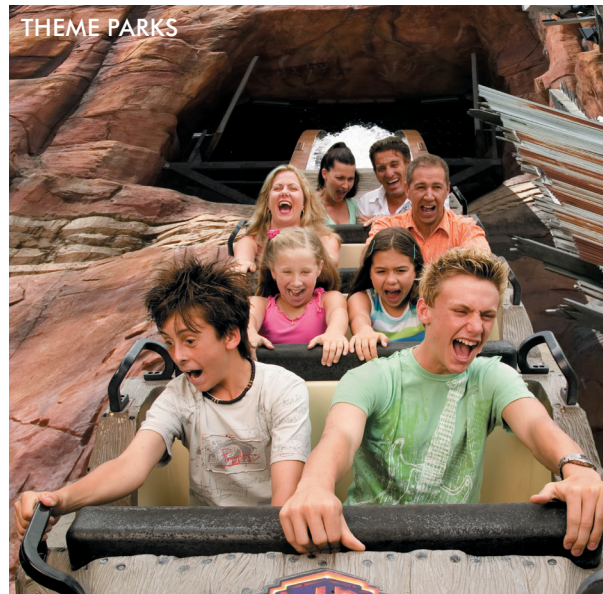

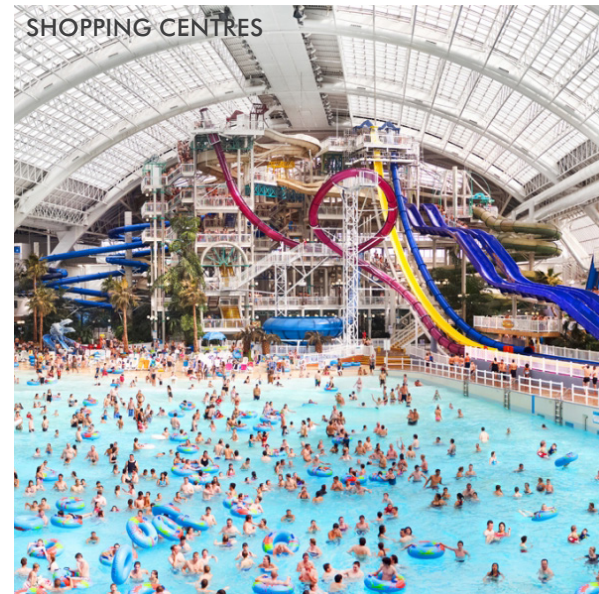

We stand by our products and our customers which is why we offer maintenance services too. Our Maintenance and Support department helps protect our customers' investments and achieve the maximum lifespan of your attractions for the best ROI.

Crafting Unique Parks

After completing projects in most countries around the world we know from experience that no two parks are alike. We aim to inspire our clients by unleashing our creativity to answer our clients' ambitions. We craft solutions which make each park unique. By fusing imagination with precision-engineering and careful manufacturing we are dedicated to making your venue a success, be it a hotel or theme park, we want to help.

With our concept to completion model you can benefit from the experience of our park designers, ride creators, and dedicated engineers to build the right solution for your specific climate, topography, audience profile, and cultural etiquette.

"WhiteWater really are a great and collaborative team, they helped us create something unique with a very creative ride path and brand new energy saving and safety technology too."

Ron Sutula
General Manager

Schlitterbahn Waterpark
Galveston, Texas, USA

"We have trusted WhiteWater to deliver their products on time and on budget at the 24 water parks we have built and operated."

David Busch
President

Legacy Family Entertainment Company LLC, USA

Shaping the Future of Fun

With our innate curiosity and problem-solving nature, we continue to look beyond tomorrow as we create products that are even more fun and more inclusive. We refuse to believe in the concept of impossible. Our innovation team works to make sure your next ride investment keeps pulling in the crowds and satisfies your most demanding guests.

We look at ‘what’s next’ to help your park succeed in the broadest sense, and have just launched Vantage, a big data platform that gives operators access to real-time decision-making operational data, and guests the ability to personalize experiences — contributing towards the creation of simpler, smarter parks.
