💰 MONOPOLE DESIGN TO CREATE OPEN GROUND FOR OPTIMIZED CIRCULATION

★ FOR YOUR GUESTS

From true cause-and-effect play features to high thrill body and inner tube slides, AquaFortress has been designed to maximize interactive play with larger decks, more water toys, and impact-absorbing flooring on all walkable surfaces.

📣 FOR YOUR MARKETING

Choose adventurous layouts elevated by a library of theming options to create a unique focal point in your park ideal for social moments and web site banners. With high-thrill slides incorporated into the structure, viewing spots abound to capture those all-important guest reaction shots.

⚙️ FOR YOUR OPERATORS

AquaFortress' modular design means that the structure can be modified or enlarged whenever you're ready for a change. Additionally, our universal connection system allows you to change guardrails and play features at any time, with minimal downtime.

💰 FOR YOUR BOTTOM LINE

Slip-resistant safety flooring, Life Floor, which has been proven to reduce slips and falls, comes standard on AquaFortress. Its all-in-one-water park design will generate multi-generational play, keeping families on site longer.
